Rush Cheak township, Fairfield co., Pebrus. y 25. 1891.

Bear Sir: As I consider that my lite has been greatly prolonged by my being cured of Consurapit nby the use of "Dr. Wister's Baisam of Wild Cherry," I will state the symptoms of my case, that others similarly affected may be induced to try this invaluable remedy. I experienced great difficulty in breathing; had the bottle tever with violent flashes of heat and frequent cold-chills, with severe pain Iu my side and breast, accompanied by a very bad cough; was very restless at mights, and had great night sweats, perspiring, I should say, at least two gal onsa night, wetting the hed completely through. I had not been able to work for years. But I was much emclated, and almost heipless when I commence tusing Wielder's Balsamof Wild Cherry. I have used in all 13 bottles, and I am now hee from all those complaints, for my health is good.

I am now 55 years old, and have not taken any of the Bussim since 1816, because my health is so good as not or equire any medicine. But if I should have any return of m, farmer symptoms. I should use Wilsuar's Raisam of Will Cherry. I produce the medicine of Messrs. Fail de Met racken, your agents in Lancaster, Ohio.
